Dear Amy:

Thank you for choosing Budget as rental car provider for the SFI Annual Conference. I have assigned a specific discount number for your meeting.

Your **Budget Customer Discount** or **BCD** number is **U003736**.

When calling Budget at **1 (800) 842-5628** to make reservations, attendees should provide our reservations agents with this BCD number to ensure they receive the best available car rental rates.

The BCD will be effective from seven days prior to the event until seven days after the event..

Below is a hyperlink to Budget.com that can be placed on your web site. When this customized link is used, your BCD number will automatically be placed in the reservation detail.

With every 20 qualified completed rentals, you will earn 1 reward day based on the rental average. Reward days are valid on subcompact to full-size cars.

If your event will require the movement of large items or multiple packages, such as display stands and goods, sports equipment, band instruments etc., we can offer a 'one-stop shop' solution with great rates on trucks from our sister company Budget Truck Rental. Just let us know your needs and we will be happy to provide you with details

Our Meetings & Group Services team is dedicated to your complete satisfaction. Should you have any questions or if I can be of any assistance, please do not hesitate to call. You can also reach us by email at ABGMeetings@avisbudget.com
