Pine Grosbeaks, like the one featured on this card, are regularly seen during the winter in SFI-certified forests of the Northeastern US and Eastern Canada. Its presence is a sign of nearby trees with abundant buds, seeds, and fruits.

Good for you. Good for our forests.®

SFI-00001

Sustainable Forestry Initiative Inc. (SFI®) manages the largest single forest certification standard in the world. The SFI® label is a sign you are buying wood and paper products from well-managed forests.
