THE SFI COMMUNITY

\$2.8 MILLION

INVESTED BY SFI IMPLEMENTATION
COMMITTEES IN LOCAL COMMUNITIES IN 2014

to support training of resource and harvesting professionals, outreach to family forest-owners, environmental education. **Since 2007, total investment now exceeds \$23 million.**

This unique grassroots network of close to 1,000 people includes private landowners, independent loggers, forestry professionals, local government agencies, academics, scientists, and conservationists.
