SFI Inc. 2013 IRS 990 Filing Schedule C: Description of Lobbying Activities

SFI's government outreach work is handled in-house by a single staff person who is not a registered lobbyist. SFI's overall objective for government outreach is to raise awareness of the SFI program among the executive and legislative branches of the federal government and state governments.

Specific SFI lobbying activity involves periodic letters to state and federal legislators on issues including management of public forestlands, appropriations, and use of green building rating systems. Such outreach has either supported legislation or has urged refinements to legislation. Total staff time spent on lobbying is ten hours. No expenses beyond staff time have been incurred related to this activity. SFI has not engaged in political campaign activity. SFI does not have any contracts for outside lobbying support.
